

Israel demands a king to be like other nations

1 Samuel 8:10-22

Your sons will be made to
Serve with chariots & horses.
Some will run in front of the king's
chariots.
Some will be commanders of 1,000 &
over 50.
Some will be farmers.
Some will make weapons of war and
make equipment for the chariots.
Some daughters will make perfume,
Others will be cooks & bakers.
The king will also take the best fields,
vineyards and olive groves. He will get
a tenth of all the grain and grapes to
give to his officers and servants.
He will take your men and girl servants.
He will take the best cattle, all donkeys
& a tenth of your flocks.
You yourselves will become his
slaves.

Saul, from the tribe of Benjamin, and head & shoulders above all the other men, became Israel's first king.

Samuel tells the people what it will be like living with a king.
